MORE TESTIMONIALS...

Vinexpo New York provides the ability to meet with prospective winery partners from around the world in a very comfortable and unhurried environment. I've met a number of good prospects.

- **Michael Gelven, CEO, Wine Pirates/WP Wine Imports Inc.**

2019 ATTENDEE

"An amazing wine experience conveniently located under one roof. I liked the opportunity to meet wine makers and explore new wines."

- **Beth Binder**
Managing Director
Winston-Salem Wine Market
2019 ATTENDEE

We were once again delighted with the caliber of buyers and the number of appointments that we had. Thanks to services like One to Wine Meetings, and our own extensive planning before the exhibition, we had two days jam-packed with fruitful meetings, which was a good problem to have! I'm glad we returned this year. It was well worth it, and we have already started planning for Vinexpo New York 2020.

- **Lientjie McLachlan**
Head of Marketing & Sales Robinson and Sinclair
2018 & 2019 EXHIBITOR

"We exhibit at Vinexpo New York because we are investing a great deal in the US and believe we have the right brands for the market, making Vinexpo New York the event where we should exhibit. We met a lot of distributors, importers, and retailers from New York, New Jersey, and the North East. We also had meetings with buyers from Texas, California, and Chicago. We took advantage of One to Wine Meetings to set up our meetings in advance. The event was quite crowded with a lot of great energy."

- **Anthony Lagiere**
Sales Director - Bernard Magrez
2018 & 2019 EXHIBITOR

"It was so wonderful to see the exhibition's growth this year – there were even more customers and more large retailers. We were so pleased.

There's really no doubt about it we will be coming back."

- **Cedric Duquenois**
Sales Director - LGI Wines
2018 & 2019 EXHIBITOR

"The most important part of Vinexpo New York is the quality of buyers - geographically ranging from California to the East Coast."

- **Daniel Greathouse**

"At Vinexpo New York, I have the opportunity to taste obscure varietals that I'm not familiar with and meet producers I'm not familiar with, which is really great. People are very enthusiastic to show off their wines."
