VINEXPO NEW YORK

VINEXPO
THE WORLD OF WINE & SPIRITS

I met with producers from Italy, France, Spain and Argentina for various products that we have a need for and that will be a good fit for our company. It's great to meet winemakers, owners and people who represent their wineries and to learn more about what their companies are all about.

— **Oliver Kielwasser**
Wine Category Lead
BevMo! (California)

I made some great contacts for potential business with French suppliers.

— **David Kohl**
French Wine Specialist
Lieber Fine Wine and Spirits (New York)

This is a good place to meet new and existing suppliers. There is always a good mix of producers. It is an easy location for me to travel to in the US.

— **Todd Allen**
Owner - 4Front Imports (Ohio)
